Code == X12 Definition == DoD Definition

CGT == Cargo Taxes == Tax Authority Clearance (TA)

ITEM 4: REASON FOR CHANGE (business case)

Explain why you need the proposed change. Provide a complete scenario that tells what the business function, operation, or problem is that will be satisfied by a change to the convention. Technical assessment requires enough information to be able to propose an alternate solution, if necessary. Be specific. Use additional paper if necessary.

Changes to the code value 'CGT' adding unique DOD definition have been coordinated with the installed base.
