

BIOGRAPHY

UNITED STATES TRANSPORTATION COMMAND

Office of Public Affairs, Scott Air Force Base, Illinois 62225-5357

KENNETH D. WATSON

Kenneth D. Watson, a member of the Senior Executive Service, is the deputy director, Strategy, Capabilities, Policy, and Logistics, U.S. Transportation Command, Scott Air Force Base, Ill. USTRANSCOM is the single manager for global air, land, and sea transportation for the Department of Defense.

Watson is responsible for the identification, evaluation, and integration of defense transportation policies, concepts and procedures. This includes evaluation of all modes of strategic mobility systems, infrastructure, long-range programs, future requirements, and priorities for impact on the Defense Transportation System.

Watson previously served a one year deployment in Iraq as the chief, OSC-I Operations Center. Prior to his deployment, he was the deputy chief of the Capabilities Division in the Directorate of Logistics (J4), the Joint Staff. He is a 2011 graduate of the Industrial College of the Armed Forces at Fort Leslie J. McNair in Washington, D.C. and graduate of the Defense Senior Leader Development Program 2010 cohort. In his previous assignment as the deputy to the associate director of Resource Integration he was assigned to the Directorate of Resource Integration, deputy chief of staff/Logistics, Installation & Mission Support, Pentagon, Washington D.C. With the associate director, he was responsible for Air Force logistics, installations and mission support long-range planning, strategic support planning and associated policies. He was responsible for validating requirements and defending budget requests through the Air Force Corporate Structure, Office of the Secretary of Defense, Office of Management and Budget, Joint Chiefs of Staff, and congressional review and enactment.

Watson began his civil service career in 1989 as Palace Acquire Intern Inventory Management Specialist at McClellan Air Force Base in Sacramento, Calif. His diverse experience includes Logistics Management for the F-117A and Commander in Chief Mobile Alternate Headquarters programs. He managed airborne electrical accessories for the Commodities Division at Sacramento Air Logistics Center. Watson served as a Logistics Plans specialist while assigned to HQ USAF on a Logistics Civilian Career Program career broadening position. He also performed logistics requirements analysis, Acquisition Program management, and was chief of the Strategic Planning Division, Plans and Programs Directorate, Oklahoma City Air Logistics Center, Tinker Air Force Base, Okla. Watson served for three years overseas as the deputy for Mission Support, 31st Mission Support Group at Aviano Air Base, Italy. He holds both baccalaureate and masters degrees.
