

PRIVACY IMPACT ASSESSMENT (PIA)

For the

Distribution Component Billing System (DCBS)

United States Transportation Command (USTC)

SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of information (referred to as an "electronic collection" for the purpose of this form) collect, maintain, use, and/or disseminate PII about members of the public, Federal personnel, contractors or foreign nationals employed at U.S. military facilities internationally? Choose one option from the choices below. (Choose (3) for foreign nationals).

- (1) Yes, from members of the general public.
- (2) Yes, from Federal personnel* and/or Federal contractors.
- (3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.
- (4) No

* "Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) why a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

SECTION 2: PIA SUMMARY INFORMATION

a. Why is this PIA being created or updated? Choose one:

- New DoD Information System
- Existing DoD Information System
- Significantly Modified DoD Information System
- New Electronic Collection
- Existing Electronic Collection

b. Is this DoD information system registered in the DITPR or the DoD Secret Internet Protocol Router Network (SIPRNET) IT Registry?

- Yes, DITPR Enter DITPR System Identification Number
- Yes, SIPRNET Enter SIPRNET Identification Number
- No

c. Does this DoD information system have an IT investment Unique Project Identifier (UPI), required by section 53 of Office of Management and Budget (OMB) Circular A-11?

- Yes
- No

If "Yes," enter UPI

If unsure, consult the Component IT Budget Point of Contact to obtain the UPI.

d. Does this DoD information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information should be consistent.

- Yes
- No

If "Yes," enter Privacy Act SORN Identifier

DoD Component-assigned designator, not the Federal Register number.
Consult the Component Privacy Office for additional information or
access DoD Privacy Act SORNs at: <http://www.defenselink.mil/privacy/notices/>

or

Date of submission for approval to Defense Privacy Office

Consult the Component Privacy Office for this date.

e. Does this DoD information system or electronic collection have an OMB Control Number?

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information.

This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

Yes

f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same.

(2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.)

(a) Whenever possible, cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If a specific statute or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component should be identified.

Public Law 100-562, Imported Vehicle Safety Compliance Act of 1988; 5 U.S.C. 5726, Storage Expenses, Household Goods and Personal Effects; 10 U.S.C. 113, Secretary of Defense; 10 U.S.C. 8013, Secretary of the Air Force; 19 U.S.C. 1498, Entry Under Regulations; 37 U.S.C. 406, Travel and Transportation Allowances, Dependents, Baggage and Household Effects; Federal Acquisition Regulation (FAR); Joint Federal Travel Regulation (JTR), Volumes I and II; DoD Directive 4500.9E, Transportation and Traffic Management; DOD Directive 5158.4, United States Transportation Command; DoD Instruction 4500.42; DoD Transportation Reservation and Ticketing Services; DoD Regulation 4140.1; DoD Materiel Management Regulation; DoD Regulation 4500.9; Defense Transportation Regulation; and DoD Regulation 4515.13-R; Air Transportation Eligibility.

g. Summary of DoD information system or electronic collection. Answers to these questions should be consistent with security guidelines for release of information to the public.

(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

Collects PII's to:

1. Process: Transportation records into billable details associated with cargo and passenger transportation services during war, contingencies and peacetime operations.
2. Identify: Passenger records and cargo information
3. Research: A billed customer or review completed manifests, will return the Organization and station names of aerial ports.

(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.

There are no additional privacy risks associated within DCBS. All data elements collected originate in either the Defense Travel System (DTS) and are obtained via daily secure file transfers. Access to records is limited to person(s) responsible for servicing the records in performance of their official duties and safeguards implemented in the need-to-know principle.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.

Within the DoD Component.

Specify.

Other DoD Components.

Specify.

Other Federal Agencies.

Specify.

State and Local Agencies.

Specify.

Contractor (Enter name and describe the language in the contract that safeguards PII.)

Specify.

Other (e.g., commercial providers, colleges).

Specify.

i. Do individuals have the opportunity to object to the collection of their PII?

Yes No

(1) If "Yes," describe method by which individuals can object to the collection of PII.

Airlift users do not have the opportunity to directly object to the use of their PII by DCBS. DCBS receives PII through interfaces with DTS, therefore has no contact (direct/indirect) with the individuals concerned. Privacy act statement is displayed for the applicants at all the passenger terminals of the collection of personal information. If an individual objects to collection at those collection points, failure to provide the information could result in them not being accepted for travel on military aircraft.

Privacy Act Disclosure: Is voluntary, however, failure to provide all of the requested information may preclude the processing of both the travel request and the claim for reimbursement."

(2) If "No," state the reason why individuals cannot object.

j. Do individuals have the opportunity to consent to the specific uses of their PII?

Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

Insofar as airlift users that object to the use of their PII have the choice to not use DoD airlift services. Upon review of DTS screens regarding PII and it's collection and use, the following specifics were identified as relevant to this question. A privacy act statement is displayed for the applicants at all the passenger terminals of the collection of personal information.

Privacy Act Disclosure: Is voluntary, however, failure to provide all of the requested information may preclude the processing of both the travel request and the claim for reimbursement."

(2) If "No," state the reason why individuals cannot give or withhold their consent.

k. What information is provided to an individual when asked to provide PII data? Indicate all that apply.

- Privacy Act Statement
- Privacy Advisory
- Other
- None

Describe each applicable format.

DTS provides the following Privacy Act Statement.

Privacy Act statement reads as follows:
