01/09/2017 07:51:11 Mr. Gordon M. Allbritton - USAF/CMOS - Approve - with comments : CMOS approves this DM with comments. Suggest actually listing out the names of the files in TRDM and DTEB websites (i.e. Personal Property Shipment-Unit TCN Type Code (Part II, Appendix L) and

Personal-Property-Shipment_Unit TCN Type Code Domain) instead of just listing the URL addresses. There are several different Personal Property codes making it difficult locating the correct one with just the URL. Also note that it will be a few CMOS releases until this change can be included in CMOS due to current funding and contract constraints.
