

# LOGISTICS & TRANSPORTATION

**PUT PEOPLE AND SUPPLIES IN THE RIGHT PLACE AT THE RIGHT TIME**

*Together, we deliver.*

From the world's most advanced military equipment to the much-needed humanitarian supplies, the US TRANSPORTATION COMMAND'S logistics and transportation team organizes and delivers virtually everything that's needed to maintain Joint Force superiority.

Equipment, inventory, transportation, and quality assurance are managed by our team of Logistics and Transportation professionals.

It's a complex and challenging undertaking but absolutely essential in conducting globally integrated mobility operations, leading the broader Joint Deployment and Distribution Enterprise, and providing enabling capabilities in order to project and sustain the Joint Force in support of national objectives.
