

USTRANSCOM/J9 Defense Personal Property Program

FY2021

Global Privately Owned Vehicle (POV) Contract (GPC) Billing Rates

GLOBAL PRIVATELY OWNED VEHICLE (POV) CONTRACT (GPC) BILLING RATES
AND GUIDANCE FOR THE TRANSPORTATION WORKING CAPITAL FUND

EFFECTIVE: 01 Oct 20 through 30 Sep 21 (FY21)

Purpose and Scope: The GPC provides movement and storage of POVs belonging to military personnel, dependents, Department of Defense civilians and other authorized persons. The GPC billing rates establish the amount customers will be billed for these services. POV movements (Commodity Code (CC) 63 and 64) are billed per vehicle and include processing, linehaul, and ocean transportation. POV Storage (CC 95) is billed per monthly storage space and includes processing, linehaul, and storage. The Defense Transportation Regulation, Part IV, Chapter 408 (Transportation of POVs), Appendix K3 (Shipping Your POV), and Appendix K4 (Storing Your POV), all provide further procedures and guidance.

FY21 GPC Rates and Definitions

<u>CC</u>	<u>Rate</u>	<u>Nomenclature and Description</u>
63	\$2,614.21	Contractor Vehicle Processing Center (VPC) Movement - A shipment that originates and ends at VPCs.
64	\$6,559.49	Contractor Non-Standard Movement - A shipment where a POV's origin and/or destination is not a VPC and does not involve Government assistance.
95	\$234.85	POV Storage - CONUS storage of POVs billed per monthly storage space
