Training, Test and Ferry (TTF) Transportation Working Capital Fund (TWCF) Guidance and Rates: **EFFECTIVE: 01 Jul 24 through 30 Sep 24 (FY24)**
EFFECTIVE: 01 Oct 24 through 30 Sep 25 (FY25)

1. Training rates are established each year during the Budget Estimate Submission (BES) cycle and are locked in the Presidential Budget (PB) cycle for the applicable year, e.g., FY24 Training rates were established during the FY24 BES and locked in the FY24 PB & updated out of cycle per OSD memo increasing rates based on increased fuel rate changes effective 1 Jul 24. See Table 1 for current rates. FY25 Training rates were established during the FY25 BES and locked in the FY25 PB. See Table 2 for current rates.

- a. AMC/Training rates are based on a 100% cost recovery which includes prior year losses. Rates are established by utilizing the training total budgeted costs for the C-5 and C-17 weapon system divided by their approved flying hours.
