Subject: Global Household Goods Contract (GHC) Foundational Training (“GHC 101”) Going Offline for Update

1. The Global Household Goods Contract (GHC) Foundational Training (“GHC 101”) will be going offline 18 Jan 2023 for an update.
2. GHC 101, providing a foundational introduction to the GHC, has been available as an online course since late Dec 2021. Recent changes require a significant revision to GHC 101 to ensure the material remains accurate. Changes include:
 - The Contracting Officer Representative (COR) function was split into two parts, CORs at the DPMO and Government Surveillance Representatives (GSRs) at the PPSOs and PPPOs.
 - Nomination and designation procedures for several Government functional positions under the GHC have been changed.
 - The data warehouse has changed from IGC to Advana.
 - Multiple other processes and functions have been modified.
3. To ensure that the DPMO continues to provide relevant, accurate training material for use by the DP3 Enterprise, GHC 101 will be taken offline at 1700 CST on 18 Jan 2023 and will remain offline while the course is undergoing revision. The revised course is anticipated to be published in early Feb 2023.
