1. The DPMO staff is pleased to announce the launch of its newest course in its suite of DP3 training, the **2023 DP3 HHG Business Rule Changes Training 0D6A**. This course intends to familiarize or refresh Defense Personal Property Program personnel on major changes to a variety of policy changes effective on shipments processed for the 2023 moving season. Development of this course is an effort to reduce the stress often associated with policy changes as well as to minimize delays and frustrations for customers.

2. The course is live as of 17 March 2023 and hosted on milUniversity, a module within the [milSuite](https://www.milsuite.mil) platform at (<https://www.milsuite.mil>). The course address is <https://www.milsuite.mil/university/dp3/courses/2023-dp3-hhg-business-rule-changes-training-0d6a/>.

3. Personnel with a valid DoD CAC, can access milSuite from any CAC-enabled computer or mobile device with a modern web browser that is connected to the Internet or the NIPRNet. On NIPRNet, your local, installation, or Service level network configurations may result in the inability to access some or all milSuite features.
