

## **USTRANSCOM Personal Property Advisory #21-0108**

**Date:** 23 September 2021

**From:** USTRANSCOM Defense Personal Property Management Office (DPMO), (TCJ9), Scott AFB, IL 62225

**To:** Department of Defense (DOD) Approved Transportation Service Providers (TSPs)

**Subject:** Certificate of Independent Pricing (CIP) and Certificate of Responsibility (COR) Recertification Update

1. Please be advised, TSPs will NOT update their CIP and COR until directed by DPMO/ TCJ9 with a CIP/COR Recertification Advisory expected to be released on or about 4 Nov 2021.
2. Updating the CIP/COR outside of the recertification period is causing the Extraction Transformation and Loading (ETL) to fail. These ETL failures, ultimately prevent user from having access to accurate data when using analytics.
3. Direct questions to the TCJ9 Operations and Quality Team at [transcom.scott.tcj9.mbx.pp-quality@mail.mil](mailto:transcom.scott.tcj9.mbx.pp-quality@mail.mil).
