

USTRANSCOM Personal Property Advisory #23-0003

Date: 13 October 2022

From: USTRANSCOM Defense Personal Property Management Office (DPMO), Scott AFB, IL 62225

To: All Department of Defense (DOD) Approved Personal Property Transportation Service Providers (TSPs)

Subject: Annual Qualification Review of Certificate of Independent Pricing (CIP) and Certificate of Responsibility (COR)

1. Effective 29 October through 17 December, it is mandatory TSPs review and update their CIP and COR information in the Defense Personal Property System (DPS). Failure to update the CIP and COR No Later Than 17 December 2022 will disqualify the TSP from participating in the 2023 Rate Filing Event.
2. **IMPORTANT:** TSPs are **ONLY** allowed to update their CIP and COR documents in DPS **between 6AM and 6PM Central Standard Time (CST)**. Updating the CIP/COR outside of the 6AM - 6PM period will cause the Extraction Transformation and Loading (ETL) to fail. These ETL failures, ultimately prevent user from having access to accurate data when using analytics.
3. After TSP update their CIP and COR, only the President or Chief Executive Officer can certify the CIP and COR before submitting for approval. TSP must ensure the documents are in an "UNDER REVIEW" status before updates can be processed by DPMO. If the status is showing "IN PROGRESS" or "SUBMITTED" DPMO cannot process the updates.
4. This advisory is the **ONLY** notification to TSPs. DPMO will not provide telephonic or email reminders for the CIP and COR requirement.
