

## **USTRANSCOM Personal Property Advisory #23-0009**

**Date:** 10 November 2022

**From:** USTRANSCOM Defense Personal Property Management Office (DPMO), (TCJ9), Scott AFB, IL 62225

**To:** All Military Service Headquarters Representatives, Worldwide Personal Property Shipping Offices (PPSOs), Personal Property Processing Offices (PPPOs)

**Subject:** Revocation Action for Taurus Forwarding, Inc. (TAUF)

1. Effective 10 November 2022, TAUF has been revoked from participating in the Department of Defense Personal Property Program (DP3) for failure to meet the requirements of the DP3.
2. All shipments in Storage-In-Transit (SIT) must be terminated. PPSO should issue a GBL correction notice indicating the termination date and that the TSP is authorized to invoice for services performed up to the termination date. PPSO should contact the affected storage warehouse and arrange for continued storage and final delivery-out using local purchase procedures.
3. For shipments en route that require SIT at destination, shipment should be terminated upon arrival at the destination agent warehouse. PPSO should issue a GBL correction notice to terminate the shipment prior to SIT authorization to RFWS, as well as arrange for required storage and delivery out with the destination agent using local purchase procedures. NOTE: Due to DPS functionality, shipment must be put in a "Storage-In-Transit" and then Terminate.
4. PPSO's should monitor shipment awarded to TAUF. In the event any shipment becomes frustrated, contact USTRANCOM TCJ9 Operations and Quality Team at [transcom.scott.tcj9.mbx-pp-ops@mail.mil](mailto:transcom.scott.tcj9.mbx-pp-ops@mail.mil).
5. PPSO's are reminded to inform customers inquiring about claims that the TSP has been removed. The customers should transfer their claim to the appropriate Military Claims Office.
6. Direct questions to the TCJ9 Operations and Quality Team at [transcom.scott.tcj9.mbx-pp-quality@mail.mil](mailto:transcom.scott.tcj9.mbx-pp-quality@mail.mil).
