

USTRANSCOM Personal Property Advisory #21-0036

Date: 12 February 2021

From: USTRANSCOM Personal Property Division (TCJ9), Scott AFB, IL 62225

To: All Military Service Headquarters Representatives, Worldwide Personal Property Shipping Offices (PPSOs), Personal Property Processing Offices (PPPOs) and Department of Defense (DOD) Approved Transportation Service Providers (TSPs)

Subject: 2021 Defense Personal Property Program (DP3) Spring “Virtual” Personal Property Forum (PPF)

1. The 2021 USTRANSCOM Spring PPF is scheduled for 31 Mar - 1 Apr 2021 and will be conducted via Microsoft TEAMS.
2. AGENDA: The agenda is still in development, but we anticipate the majority of the discussions to be focused on ensuring enterprise-wide preparation and readiness for the 2021 Moving Season.
3. PARTICIPATION AND REGISTRATION: The PPF will be hosted on Microsoft TEAMS. To allow maximum participation and flexibility, we will offer two sessions per day (morning & evening sessions). Registration will be approved on a first come, first serve basis. Due to IT capacity constraints, advance registration is required and will be limited to 250 attendees per session, per day.

Because of the limited capacity, we may not be able to accept all requests for first choices of sessions. To allow for maximum representation, we ask companies / organizations with multiple registrants to allocate attendees across multiple sessions. We also ask that individuals register for only one session per day. The registration link for the sessions is provided below.

Confirmed registrants will receive a TEAMS link to the event the day prior. Telephone lines will not be used for these TEAMS events to ensure registered attendees are allocated limited space. For the best and most reliable online experience, we recommend using Google Chrome for access to Microsoft Teams, if possible.

4. We look forward to your attendance and participation. If you have any questions or concerns, please email the DPMO team at transcom.scott.tcj9.mbx.ppcf@mail.mil.

5. This message is approved for release by the Chief, Strategic Engagement, DP3.
