Subject: Round 2 Rate Rejections and Defense Personal Property System (DPS) Scheduled Outage to Build the 2021 Traffic Distribution List (TDL) for Booking Shipments on 8 March 2021

1. On 25 February, Rate Rejections notifications will be sent to TSPs whose rates are rejected as a result of the Round 2 processor closing out. Rate filing is officially closed for 2021.
2. Effective 3 March 2021 at 0900 Central Standard Time (CST) thru Monday, 8 March 2021 at 0900 Central Standard Time (CST), shipments should NOT be awarded in DPS. This timeframe is required to build the TDL for the 2021 Rate Cycle. During this time, TSPs can assess final rankings, plan internal resources, etc.
3. All other DPS functions such as: counseling customers and other shipment management functions (e.g., routing shipments, managing pre-move surveys, inbound, quality assurance, invoicing/approvals, etc.) can continue to be performed during this timeframe.
 - 3.1. PPSOs **WILL NOT** award **ANY** International Special Solicitation - HHG/UB with a pickup date of 15 May 2021 and later until the TDL becomes available on 8 Mar 21 at 0900 CDT.
4. PPSOs should continue to route all shipments during this timeframe to minimize shipment queue backlogs and shorten DoD customer booking timelines.
