

USTRANSCOM Personal Property Advisory #21-0052

Date: 16 April 2021

From: USTRANSCOM Defense Personal Property Program Management Office (DPMO),
Scott AFB, IL 62225

To: Military Service Headquarters Representatives, Worldwide Personal Property Shipping Offices (PPSO), Personal Property Processing Offices (PPPO), and DoD-Approved Personal Property Transportation Service Providers (TSP)

Subject: Nonuse Actions Reminder

1. In accordance with *Transportation Service Providers Qualifications within the Defense Personal Property Program*, dated 7 Oct 2020 and DTR Part IV, Chapter 405 *Quality Assurance*, all nonuse actions taken by DPMO will be for a minimum of 30 days. The latest copy of the DP3 TSP Qualifications guidelines is located at www.move.mil/sme.
2. Due to Defense Personal Property System (DPS) functionality, all nonuse actions will reflect in DPS as effective until the end of the rate filing cycle. This advisory reminds users of this requirement which is necessary to ensure TSPs will not receive any DoD shipments during the nonuse period. The appeal process will remain unchanged and will generally only be granted if the reason for nonuse was at no fault of the TSP or their representatives. All TSP appeals must be submitted on company letterhead and signed by the TSP President or CEO. Appeals will include, in detail, all factual and legal bases for the appeal.
