CHAPTER 413

U.S. GOVERNMENT BILL OF LADING – PRIVately OWNED PERSONAL PROPERTY (PPGBL/BL) AND U.S. GOVERNMENT BILL OF LADING CORRECTION NOTICE (SF 1200)

A. GENERAL

This chapter establishes procedures and provides guidance for the accountability, use, issuance, preparation, and distribution of the U.S. Government Bill of Lading—Privately Owned Personal Property, Figure 413-1. The PPGBL/BL must be used for the acquisition of authorized transportation and related services from a commercial Transportation Service Provider (TSP) for the movement of Department of Defense (DoD)-sponsored personal property shipments, mobile homes, and Privately Owned Vehicles (POV) eligible for movement on a PPGBL/BL. (This chapter does not apply to personally procured moves.)

B. RESPONSIBILITIES

1. USTRANSCOM is responsible for prescribing administrative procedures regarding the use of PPGBL/BLs for the procurement of commercial transportation services on behalf of the DoD.

2. The Administrator, General Services Administration (GSA), is responsible for prescribing procedures governing the use of PPGBL/BLs throughout the U.S. Government. GSA has published the regulations and procedures governing the procurement of, and the billing and payment for, transportation services for the account of the United States in the Federal Management Regulation, Part 102-118, Transportation Payment and Audit.

C. PROCEDURES

1. Supply. At locations that cannot create computer-generated PPGBL/BLs, requisitions must be submitted through normal DoD Component publications supply and distribution channels to the U.S. Army Publications and Printing Command. Transportation Officers (TO) are responsible for maintaining an adequate supply of PPGBL/BLs at their activity.

2. Accountability.

   a. Each shipping activity must maintain records of PPGBL/BLs issued and the supply of PPGBL/BLs on hand. PPGBL/BL forms are accountable, and the number of pre-printed forms that an activity may keep on hand is limited by Service/Agency policy. Internal procedures must be established to control stocks and assign accountability for PPGBL/BL issuance and use. The TO, or in the absence of a TO, an acting TO, must be appointed in writing as the responsible PPGBL/BL issuing officer and held accountable for PPGBL/BL control, safekeeping, and disposition. To facilitate control, individual PPGBL/BL sets are serially numbered when printed. The forms are issued by the U.S. Army Publications and Printing Command and numbers provided by USTRANSCOM. Packages of PPGBL/BLs must be opened immediately upon receipt and inventoried by the issuing officer or designated representative to verify that none are missing. Activities must establish procedures for conduct of audits by personnel external to the office controlling PPGBL/BLs. Audits must be conducted at least every 180 days to verify inventories and records. TOs must provide the same level of accountability and safeguarding of PPGBL/BL numbers maintained and issued in automated systems as they do for pre-numbered PPGBL/BL forms. Audits conducted with automated systems must consist of a review of the PPGBL/BL register to ensure each PPGBL/BL number is properly assigned to a valid shipment or recorded as void.
b. Computer-Prepared PPGBL/BLs. TOs, having facilities for computer preparation of PPGBL/BLs, may order them in continuous tractor feed, fan-fold format through government distribution centers. Authorization must be obtained from USTRANSCOM to imprint PPGBL/BL numbers at the time of issuance.

(1) Automated Sites. The laser-generated PPGBL/BL must be used by all automated sites for the acquisition of authorized transportation and related services from commercial TSPs for the movement of DoD-sponsored personal property shipments, mobile homes, and POVs eligible for movement on a PPGBL/BL. Use software-generated PPGBL/BLs and continuation sheets (SF 1109) published using a laser printer and standard bond paper. USTRANSCOM controls PPGBL/BL numbers in coordination with GSA. The laser-generated PPGBL/BLs are only accountable when a number has been assigned to the form. All information printed on the reverse of the non-laser-produced PPGBL/BL is included in the Terms of Service (TOS), Appendix B. The first PPGBL/BL produced (and continuation sheets) must be annotated “Original.” All other copies/reprints must not contain the word, “Original.”

(2) Non-Automated Sites. Blank forms must be procured using normal forms supply procedures.

c. Transfer of Forms. Blank serially numbered original PPGBL/BLs or preassembled sets that have been issued to TOs or their designated agents may not be transferred to other TOs or their agents.

d. Disposition of Unfit or Canceled PPGBL/BLs. When PPGBL/BLs have become mutilated or otherwise unfit for use or have been issued and the planned shipment is subsequently canceled for any reason, all parts except the original must be destroyed. The original PPGBL/BL must be marked “Canceled” or “Void” and must be filed in the property shipped PPGBL/BL file. When circumstances prevent filing of the canceled or voided original document, the property shipped copy or a substitute memorandum copy with notation of disposition of the original PPGBL/BL must be filed in the property shipped file.

e. Reporting of Lost, Stolen, Canceled, or Missing PPGBL/BLs. The prefix symbol and serial number of blank original PPGBL/BLs or preassembled sets that have become lost, stolen, or are unaccountably missing or otherwise beyond the control of the issuing officer must be reported to USTRANSCOM.

3. Issuing Officer. Only authorized or acting TOs may issue PPGBL/BLs. Such authorized persons may be military personnel or civilian employees of the government on duty at the issuing office. As stated in 41 Code of Federal Regulations (CFR) 101-41.302.4, accountability for PPGBL/BLs used by a contractor-shipper remains with the issuing office. The name and title of the issuing officer and the name and address of the issuing office, rather than those of the contractor-shipper, must appear on the PPGBL/BL.

4. Format.

a. Computer-generated PPGBL/BLs. In instances where computer-generated PPGBL/BLs are used, Paragraphs b and c below do not apply. The PPGBL/BL must be prepared and provided to the TSP or its agent prior to the commencement of packaging/loading services on the shipment.

b. The PPGBL/BL consists of five separate basic forms. For simultaneous preparation, the forms are produced in a seven-part, carbon, interleaved set (except for laser-generated PPGBL/BLs). The standard form numbers, form title, color, and distribution is described in Paragraph E below.
c. In all instances, the PPGBL/BL original, shipping order (SF 1204), and the freight waybill original (SF 1205) must be given to the initial TSP or designated agent for the TSP before the shipment is packed and/or picked up. The TSP must sign and date the original PPGBL/BL where the certification is printed “Certificate for Receipt of Shipment and Original BL.”

d. For Direct Procurement Method (DPM) Unaccompanied Baggage (UB) shipments, the PPGBL/BL is not printed at the time of the pickup at the customer’s residence. The TSP does not take possession of the shipment until after the contractor has picked up and prepared the UB shipment. The PPGBL/BL for DPM UB shipments must not be printed until the TO/Personal Property Shipping Office (PPSO) has received and input the actual weight and cube from the contractor into Transportation Operational Personal Property Standard System (TOPS).

D. PREPARATION OF THE PPGBL/BL

e. Customer Copy  
(Copy of laser-printed PPGBL/BLs)  
For All Methods Except DPM – Give to the origin TSP, who must:

Give to the customer when pickup is made at the residence.

Give to the customer when delivery is made at the residence if the origin pickup is from NTS.

Give to the destination TO if the shipment originates from NTS and is to be placed in SIT at the destination. The TO must give the copy to the customer or the customer’s agent.

For DPM shipments – The TO must forward the copy to the customer’s destination address or unit of assignment, if known.

f. Property Received Copy  
(Copy of laser-printed PPGBL/BLs)  
Forward to the destination TO, who has final delivery responsibility, with required supporting documents, to arrive in advance of the shipment. Blue Bark shipments must be so annotated and forwarded via certified mail. Notify the destination TO by telephone or message of the Blue Bark shipment.

g. Property Shipped Copy  
(Copy of laser-printed PPGBL/BLs)  
For TGBL shipments, retain in an origin suspense file pending receipt of the accounting copy. Upon receipt, annotate the Property Shipped Copy and place in the shipment file.

For a DPM shipment, retain in the origin shipment file.

3. PPGBL/BL Canceled After Distribution.  If a PPGBL/BL must be canceled after partial or complete distribution, a memorandum copy (and reproductions) must be clearly marked “canceled” and forwarded to each recipient of the initial distribution and USTRANSCOM. Also, when a PPGBL/BL Correction Notice is prepared, a complete distribution must be made IAW Paragraph F below.

4. Substitute Documents Issued for a Lost PPGBL/BL.

a. Issuance. When it is evident that the original PPGBL/BL has been lost or destroyed, the TSP must forward the original Freight Waybill (SF 1205) to the finance center for payment. When both the original PPGBL/BL and the original Freight Waybill have been lost or destroyed, the TSP must request a certified memorandum copy for use as a substitute billing document. The origin TO must annotate the certified memorandum copy as follows: “I certify that the services shown on this freight waybill were requested.” This certified memorandum copy must be signed, dated, and returned to the TSP for billing.
NOTE: Manually generated certified copies must be signed; TOPS-generated certified copies do not need to be signed.

b. Records and Control. The TO must note all memorandum PPGL/BLs in the PPGL/BL accountability record and promptly notify the responsible paying finance center so the finance center may take steps to preclude duplicate payment of the transportation charges.

### CERTIFICATION OF SHIPMENT RESPONSIBILITIES

In consideration of said household goods being shipped at Government expense, I hereby agree that:

1. This shipment/storage lot consists of my property or the property awarded to my ex-spouse incident to a divorce which was acquired by me prior to the effective date of my orders.
2. If my orders are modified or cancelled and affect this shipment, I will immediately notify the shipping office at point of origin (or port, if any) and destination.
3. I will remit the proper amount or consent to the collection from my pay as may be necessary to cover all expenses occasioned by this shipment.
4. I agree, prior to shipment and at my expense to place my mobile home in condition to withstand transportation.
5. I understand that transportation of my mobile home and shipment of baggage and household goods within the United States are provided in Chapter 10, JTR.
6. I understand the Government will not be responsible for goods remaining in storage after the expiration of the authorized period.
7. Professional books, papers and equipment are or were necessary in the performance of official duties.

### CONDITION FOR STORAGE

In consideration of said household goods being stored at Government expense, I hereby agree as follows:

1. I will notify the transportation office responsible for storing my non-temporary storage account of any changes in my storage entitlement.
2. The Government is authorized to enter into any agreement and to do all acts and things which may be convenient or necessary to store the household goods. Storage of the household goods is furnished subject to such applicable laws and regulations as are now or may hereafter be in effect.
3. The Government may store the household goods in Government facilities or in commercial storage under a Government contract.
4. The Government may move or transfer by any appropriate means the household goods from their present location to Government or commercial storage facilities and from such facilities to an appropriate destination upon termination of storage.
5. When the household goods are stored in Government facilities and the authorized period for storage at Government expense expires, the Government may require me to remove the household goods from their place of storage. In the event, after 30 days notice, I fail to remove the household goods, or if, after diligent effort, notice to me cannot be effected, the Government may proceed as follows: (a) piece and store the household goods in commercial storage at my expense, or (b) if a commercial warehouse will not accept the household goods for commercial storage at my expense, the Government is hereby authorized to take whatever action in accordance with law and regulation may be deemed appropriate to effect disposition of the household goods.
6. When the household goods are stored in commercial facilities and the authorized period of storage at Government expense expires, all storage and incidental charges accruing after the last day of the authorized period of storage shall be at my expense.
7. The Government shall not be liable for charges incident to storage or services in connection with the household goods (1) not authorized by law or regulation to be at Government expense, (2) in excess of weight limitations imposed by law or regulation, or (3) after the expiration of the period of which storage at Government expense is authorized.
8. Government contracts for the storage of household goods limit the liability of the warehouseperson to $50 per article or package as listed on the warehouse receipt. Applicants are advised to consider obtaining insurance on their household goods while such goods are in storage.
