

LIMITED SOURCES JUSTIFICATION
BRAND NAME
VEEAM Annual Software Maintenance Renewal
HTC711-14-Q-D020

(Control # 14-25)

1. This requirement is for the purchase of 123 VEEAM Backup Management Suite Enterprise for VMware software maintenance renewals. Estimated cost of this requirement is \$ [REDACTED].
2. JUSTIFICATION: FAR 8.405-6 (b) (1), *Items peculiar to one manufacturer* (Brand Name).
3. BRAND NAME JUSTIFICATION: This software is specifically designed to work with VMware, the product used to create and manage enterprise virtual machines. This requirement will provide continued maintenance to include software upgrades, security patches, and telephone/web based technical support on enterprise licenses of the VEEAM products. VEEAM software is proprietary in nature and only VEEAM vendors can provide the required software support and upgrades for the products. Other tools do not provide the utilities required to manage VMware virtual environments.

Without software maintenance, the VMware environment would not be kept updated with current versions and security patches required to meet DIACAP security requirements.

4. PLACE AND PERIOD OF PERFORMANCE: Scott AFB, IL. Period of Performance for this support is 4 October 2014 through 3 October 2015.
