User's name is required to be maintained for (LG application event logging and) non-repudiation purposes within the system's database change log and on the electronic/printed flight plans.

**e. Do individuals have the opportunity to object to the collection of their PII?**  Yes  No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

Users can refuse to sign the DD 2875 System Authorization Access Request (SAAR) form. However, if they do, access to the MAFPS system will not be granted.
