

PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

1. DOD INFORMATION SYSTEM/ELECTRONIC COLLECTION NAME:

Coalition Mobility System (CMS)

2. DOD COMPONENT NAME:

United States Transportation Command

3. PIA APPROVAL DATE:

02/05/19

SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

a. The PII is: (Check one. Note: foreign nationals are included in general public.)

- ☐ From members of the general public ☐ From Federal employees and/or Federal contractors
- ☐ From both members of the general public and Federal employees and/or Federal contractors ☒ Not Collected (if checked proceed to Section 4)

b. The PII is in a: (Check one)

- ☐ New DoD Information System ☐ New Electronic Collection
- ☒ Existing DoD Information System ☐ Existing Electronic Collection
- ☐ Significantly Modified DoD Information System

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

CMS is a web-based toolset for planning, executing, and monitoring U.S., foreign national, interagency, and non-government organization (NGO) movements. CMS supports Combatant Commanders by integrating mission data of U.S. and coalition organizations capturing information on air, land, and sea missions from multiple national and agency sources and fusing it into decision-ready information. Coalition information is populated through direct input into CMS, import data from the Single Mobility System (SMS), and direct import from other national systems. Inside each unique coalition, CMS provides robust views of schedules, workloads, mission editing, monitoring and reports.

The objective of the system is not to collect PII. The type of PII collected is that required to establish a user account and manage system account permissions.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

The PII collected is required to verify the requester has a need for system access and to establish appropriate mission-related user privileges.

e. Do individuals have the opportunity to object to the collection of their PII? ☒ Yes ☐ No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

CMS account requests are voluntary. PII is only supplied if a requester wants the privilege of having an account.

f. Do individuals have the opportunity to consent to the specific uses of their PII? ☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

Individuals are not required to get a system account. PII is only supplied if a requester wants the privilege of having an account. Once an account is created the user can add/change/delete all user profile information except for the User ID.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

- ☐ Privacy Act Statement ☐ Privacy Advisory ☒ Not Applicable

PII information is provided voluntarily therefore a statement or advisory is not necessary.

Reference: DoD 5400.11-R, C2.1.5. Mandatory as Opposed to Voluntary Disclosures. Sentence #3. If providing the information is only a condition of or prerequisite to granting a benefit or privilege and the individual has the option of requesting the benefit or privilege, providing the information is always voluntary.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component? (Check all that apply)

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

☐ Yes ☒ No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcl.d.defense.gov/Privacy/SORNs/>
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

The PII is for account creation and assignment of user privileges. The PII are not in search-able fields.

Reference: DoD 5400.11-R1, C1.1.2.1. Records in a group of records that may be retrieved by a name or personal identifier are not covered by this Regulation even if the records contain personal data and are under control of a DoD Component. The records must be, in fact, retrieved by name or other personal identifier to become a system of records for the purpose of this Regulation.

l. What is the National Archives and Records Administration (NARA)-approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

(1) NARA Job Number or General Records Schedule Authority.

(2) If pending, provide the date the SF-115 was submitted to NARA.

(3) Retention Instructions.

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.

(2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).

(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

CMS collects PII for user account creation and assigning user privileges. The PII CMS collects is voluntary and a SORN does not apply as defined by DoD5400.11-R.

n. Does this DoD information system or electronic collection have an active and approved Office of Management and Budget (OMB) Control Number?

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

☐ Yes ☒ No ☐ Pending

(1) If "Yes," list all applicable OMB Control Numbers, collection titles, and expiration dates.

(2) If "No," explain why OMB approval is not required in accordance with DoD Manual 8910.01, Volume 2, "DoD Information Collections Manual: Procedures for DoD Public Information Collections."

(3) If "Pending," provide the date for the 60 and/or 30 day notice and the Federal Register citation.
